

Dear Mrs Westwood,

We came to your open evening on the 17th September, and I must admit my daughter molly was very nervous, scared and worried. We enjoyed your speech and wad looking forward to your tour around the school.

Our tour was very interesting, existing and your pupils were very positive.

I am really writing to say a big thank you to two of your pupils that showed us round. Ella Hogan and Dan gates. They were brilliant with our daughter. They really made her feel at ease. They sang to her, showed her dance club, drama club maths, English and science. They were very enthusiastic about your school. Ella paid lots of attention to our daughter and Dan answered all our questions. They were very positive, very mature and really made our visit very exciting .These children our asset to you and you should be very proud of them.

During the last two weeks we have visited many schools and your guides give us a very good lasting impression.

The Holmes family would be very grateful if you pass on our thanks, because it was a long night to you and your pupils but it was very enjoyable and my daughter came away very exited and positive about starting a new school.

Many thanks again to you, Ella and Dan.

Kind regards,

Miss J.Skean, Mr. D.Holmes & Ms M.Holmes
Jenny, Darren & Molly

Many Thanks!!
